

Plank by Plank, Foot by Foot

We are excited to announce a fundraising campaign to repair and revitalize our campus. Our school building has served the school and church for over 40 years and is in desperate need of some repairs and revitalization.

The Plan:

- Hardie Plank Siding on Main Building
- Pave Driveway and Parking Lot at the 4-Plex (this will expand play area and parking)
- Paint portables and add new skirt on 4-Plex

Siding, paving, and painting will cost well over \$100,000.

Our goal is to raise \$50,000 from our student body. We already have 2 generous donations of \$5,000 so we are off to a great start!

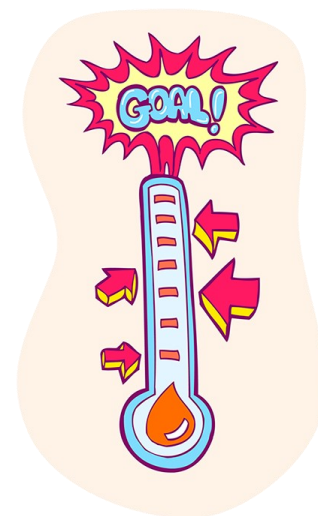

We would love to partner with our families by *"building into your child's future."* If you would like to be a part of the campaign, you can purchase siding planks or a square foot of asphalt.

1 Hardie Plank (siding) \$25

1 Square foot of asphalt \$10

All donations over \$25 qualify for a donation receipt. Please share with any businesses and family members that may be interested in partnering in this campaign.

All funds must be received before May 28, 2021

Name for Tax Receipt: _____

Name of students: _____

Address: _____

Phone Number: _____

Number of Hardie Planks: _____ x \$25 = _____

Number of Square Feet: _____ x \$10 = _____

Other Amount: _____

Total amount enclosed: _____
